WANTED. - A GARDENER OF

WANTED - A SITUATION .- A

to show his hand; our Territorial policy is fixed in the Kansas-Nebraska bill. Congress is Third. That Mr. Edwards then asked if he n 1 de osel to legislate at all on slavery in the might say something to Mr. Paine in confidence Territories. The people of the Territories are and was informed that he might do on Kin s: Congress took off the restriction, and the chlor get fixed with indignation at that.

This testingly shows an attenual or the control of general report. Congression racine its sovereign power, and say them adverse to the policy of making grants who ber lavery shall or shall not exist in the utilie halls to aid in the construction of rail Territories. If this be what he means, why does are also and then any doins to Mr. Paine his poor in interest in the Minn ota feil. This are he no sayso? And if he does not mean this, the trong says intended to give weight an white coshe mean? If he is right in hold no credibility in the mind of Mr. Poine to the that the So th ires lost all, he ought to advise a coir so sequently made in confidence, los remedy. She ought to agit te; it is rowandies to go in t. It is an insuft to advise her to sub- be induced to make such an offer 16 to a cross wrong. It is a slan ler on the 'mself. people of the free States to assert that they will ! not do justice, and that agitation is useless.

adm od . sa State. She had no authority from saport of the bill, it that would be any into the I cae al Government to as what sae d'd : but Con ress, after sandry very reces, concinded to ein "2 to exercisons of Mr. Pains and his to make a vertex of two saids and his seat. to make a virtue of necessity, and accele to her qualidemand—submit with the best grace of an all met to in ince a member of the they could to 1 pu r sovereignty in Californ's House to vote emurary to the dietates of his -s a tter sovereign . Congress has tried to tablished polygamy; it is offensive to all the Stat s. The a thorities at Washington have been very rest, ve under it. 'The great Know-Nothing Mogul, Mr. Fillmore, submitted to necessity, and appointed their Prophet, the high-samined as a witness in his own case, he was priest of the rollous institution, Governor or preference to the testing you Mr. Princ. To the Territory. His socressor has not been able to get rid of Brigham Young. The ingenity Vr. Llwrds be not make out a case essenof Congress has tailed to find a remedy. There tied a different from the one presented by the reigns squatter covereignty in the person of Br ham Youn and the organ ands no reme-

d . Courre - em't even control a Territ ev on could not to day e introl a Territory on the subto ue may rall at the power of a Territorial Legislature, and ell it squatter sovereignty, or fin.tv (a) agra to insure submission to its laws ta in - tes, and the States have hard work execute such laws against the popular sentiment of the people.

The man was does not see that nonintervention's a necessity is no statesman. Let him a Terre av can be passed through Congress. It or were passed, it is questionable if it could be executed without civil war, if it were offensive to

to the constitution of the Unit d States," we hereby remove all restrictions out of your way. The Black Republican thricke lover this a t, and the Know-Nothings creaked; the tumer wanted Congress to proa bit slavery; the latter didn't know, and have never yet told, what was the matter with them. Both the fections took the honors at squatter sovere guty, and will never get over it. The policy, bowever, a se tiel; it was settled in the compromise measures of 1-50, and confirmed by the Kansas Ne Tracka bill; the people have ratified it, and it will stan l. All the railing in the world will not shake it.

We know very well what's the matter; it's not squatter sovereignty; it's not the slavery most squatter sovereignty; it's not the slavery querion; it is a desire to rule America; it's nowlish appetite for office and spails. The faction is will adopt squatter sovereignty, the Pope, and all the foreigners, as the cardinal items of the continuous spaints of the continuous will adopt squatter sovereignty, the Pope, and all the foreigners, as the cardinal items of the content of the con

peir judgment is necessary on the part of the give them as wide a circulation as possible.

The only witness examined in this case whose months and the set informs his readers that the South has lost all, but advises submission and quie tass. He tells his readers continually that Southern Democrats are dissatisfied with squatter successingly, and denonnees them for aginating the question. He has an object in all this. He wants an excuse for submission to the demands of his Northern allies. A coalition is

eignty, and nothing can be worse than that; his party, then, can join the Black Republicans, and the place of Mr. Clangman, which was vacant in the place of Mr. Clangman which was vacant in the place of Mr. Clangman which was vacant in the place of Mr. Clangman which was vacant in the place of Mr. Clangman which was vacant in the place of Mr. Clangman which was vacant in the place of Mr. Clangman which was vacant in the place of Mr. Clangman which was vacant in the place of Mr. Clangman which was vacant in the place of Mr. Clangman which was vacant in the place of Mr. Clangman which then be no worse than Democrats. Factions in the place of Mr. Clingman, which was vacant then be no worse than Democrats. Factions beside Mr. Edwards, inquired how Mr. Paine remark that the statement of Mr. Edwards is have no idea of doing right; all the excuse they was disposed towards the bills making grants of desire for any delinquency is the example of Democrats. If they can delude the faithful with the believed them wrong in principle and In view of the whole case, the committee and In view of the whole case, the committee and In view of the whole case, the committee and In view of the whole case, the committee and In view of the whole case, the committee and In view of the whole case, the committee and In view of the whole case, the committee and In view of the whole case, the committee and In view of the whole case, the committee and In view of the whole case, the committee and In view of the whole case, the committee and In view of the whole case, the committee and In view of the whole case, the committee and In view of the whole case, the committee and In view of the whole case, the committee and In view of the case without discovering the case with the case without discovering the case with the case without discovering the case without discovering the case without discovering the case with with the idea that Democrats have adopted any unjust, and that whenever he had voted on the questionable policy, then they can atone adopt it passage of such bills he had voted against the mias a cardinal dortrine of their creed. The main ob-Second. That Mr. Edwards having thus asject now , to satisfy the South that squatter by and justice of making grants of public lands sovereignty is a brust with seven heads and ten to aid in the construction of railrouds, then said horner, and that it has been fostered and nour. that he Mr. Edwards and (as Mr. Paine thinks port of the said bill; and they therefore recom ished in a favor by Democrats; then they can be also said) his brother owned or were interest all in lands which would be greatly enhanced in

point in Abolitionists outright, and shrick for value by the passage of the Minnesota bill i freedom—ungger freedom. We hold that the editor of the organ is bound that to this declaration of Mr. Edwards

Territories. The people of the Territories are done as they please, and Congress says hands of we shall not interfere. Now, what is to be lidwards, was authorized to say that fifteen done? We demand of the organ to say what he and his party propose to do. If the South is what do they not propose to do. Where to make Paine replied in tently. wi aged; why do they not propose some way to that fifteen million dollars would be no induce rec' is the wrong? Slavery was prohibited in ment for his vote, and expressing his indien.

The Territorial Legislature have proceeded to of Mr. Edward to it lace Mr. Palacto vote in : do as to y please, and have pleased to recognize tranner which Mr. Paine the ight wrong in prinp. perty in slaves; and the editor now raves at the power of the Territories. Does he want that the power of the Territories. Does he want that the power of the Territories are the same that the power of the Territories are the same that the power of the transfer of the same that the power of the transfer of the same that the power of the same that t cause it showed why Mr. Dowards might be antiorized by others to make the other, or was

Receiving no mower to what he sail of his peculiar interest in the Minnesota bill, Mr. E. wards goes a step farther, and a ks if he migh For our swir part, we helieve that an or can-say something to Mr. Paine in confidence. tized community of white men—pioneer—will Pain replies ye; and there ipon Mr. Edward do as they please in their own affairs, and that the supposing no further reserve or precinduction rein Freeral Government e ulan't helpit il it wonle. | uiny necessary, tel's Mr. Peine directly that he Mr. Edwar's was authorized to saythed better n Call ania make a Contitut in and asked to be a undeed defined would be guaranteed for the Further conference was broken on by

algment stelle a cierco for a pecuniary con cration than the case made out by the testi Paine har not been called in question, nor les-Mr. Edwards desired to be contropted with or to

Mr. Edwards, however, did appear before the tir gwof Mr. Paine.

According to Mr. Elwards own toteranthe rst inquired how Mr. Paine felt d'spond in rend to the policy of m king grants of public the entropy and the Federal Government was informal that Mr. Paine was opposed to to ponicy, and had, in all eases but one, vote win t them; that while Mr. Pa'ne w. so jest of slavery without a civil war. Doma to the making of grants for such purposes he ruses looked ber the superision of the rules of the House and for the previous one ear breath. The Federal Government has dif tion, and then, an the final passage of the follower voted against them. Mr. Edwards then inqual how Mr. Paine felt in regard to the proper to car or less of their own make; and often in se a soor out at legisliting for themselves. They have as much as they can do to attend to their own besiness, and the Federal Gavernment has as inhelf as it can do, without understanding the most he could be would like Mr. Paine's the relief his word such a bill was in concemplation, and that if it can before the Riouse he would like Mr. Paine's much its page. Mr. Paine will be to collect that the most he could be to collect that the most he could be would be to taking to make or execute laws for the domestic vote for a suspension of the rules and the preaffairs of a Territory; and it will have a good of surrendering the public lands for such pur

Mr. Edwards then goes on to state his own aparroval of the general policy of making grants the that proposed, and to say that he wished to communicate to Mr. Paine reasons why he feit a peculiar interest in the Minnesota ball, and proper a remedy, if he wishes to expose his which he felt would be appreciated by Mr. Paine strict a smoot, if he wishes to expose his strict to the rest of markind. There sits now it, I ederal Government at Washing to in all its departments, and no bill respecting land biils upon principle, believing them to be correct; but in this bill for the Territory of Minnesota he felt a deeper interest than in the

> believed by many, that considerations had been forming him accurately about it, because he awarded in one form or another for favor duemed necessary to seeme their passage; but that, pen ation, was to get it from Mr. Gilbert, and that they would make their arrangements to avictions, he had no personal knowledge; gether. To the question whether Mr. Welch, when terred to, after he had stated to Mr. Pame his storn in respect to Minnesota, and the reason in respect to Minnesota, and the reason in respect to Minnesota. sor on in respect 10 Minnesota, and the reasons for his anxiety for the passage of that land hill, he stated to Mr. Paine that he supposed, if person was so inclined, he might make some thing pecuniarily by going for this hill. An incairy was then made, the substance of which was, so to what amount. Mr. Edwards replied he supposed from ten to fifteen hundred dollars. Mr. Paine's reply to this was, "If that was the way they wanted to arrange it, he would have nothing to do with it." and very soon left his seal.
>
> On the 20th January the witness was recalled.

Mr. Edwards says that in this part of the con- and stated-

Report of the Committee in Congress on Two of the Four Culprits.

Francis s. Edwards of New York.

The request itself to say something in confidence, with the intent to hold out the hope of a pecuniary consideration to Mr. Paine to induce him to vote against his declared sentiments of policy and justice, shows a clear knowledge.

The request itself to say something in confidence in Congress on Two confidence, with the intent to hold out the hope follows:

That Roxana Kimball had a claim, involving a small amount of manney, pending before one of the committees of the House, which the willness desired to have reported on favorably.

Private letters received here go to confirm the willness desired to have reported on favorably.

According to the testimony of Mr. Paine it supposed from ten to fitteen hundred dollars.

This must have been said for the purpose of

not legal evidence, and that they cannot net en-

In view of the whole case, the committee are of opinion that Mr. Edwards did attempt to induce Mr. Pains to vote contrary to the dietate of his judgment and ronseigner, on a bili making a grant of lands to aid in the construction of a railroad in the Territory of Minnesota, by holding out a pecuniary consideration for the supusend to the House the adoption of the follow-

West l. The Fincis S. Fdwart Franci S. Edward I.

DAVID RITCHIE, JAMES L. OBR, HENRY WINTER DAVIS. HIRAM WARNER.

WILLIAM W. WELCH, OF CONVECTICET.

The select committee, appointed in pursuance of the resolution of the House of the 9th of January, 1857, to investigate certain charges ferred to in the preamble to that resolution and to report the evidence taken, and what action, in their judgment, is necessary on the part of the flouse, submit the following report relaive to Wm. W. Welch, a member of this House from the State of Connecticut:

Two witnesses have testified to two distinct cts of Wm. W. Welch of a corrupt character the one, an attempt to procure the passage of ricure a bribe for reporting favorably on a alid Pensions, of which he was a member The fast case rests on the test mony of F. F. C. Triplett. His testimony will be found or pages 66 74 or testimony submitted with the

On Priday, Jan. 16, Triplett had been asker whether any conversation took place between il cert, in which he came out and solicited, c manded, or required any pecuniary compenat on for voting, and he had replied, in suf ence, that there was no other conversation where there was any sieli understanding, as fa could recollect; by to loose talk and sug e n; but there was nothing approaching a con et with any one else but Mr. Gilbert. On Monday, January 19, Triplett was re-colled and permitted to make an explanatory

He said, in reference to the above question, ud his answer to it, that his an wer was more avinced him it should be. He meant to cone himself, and did then confine himself, to: rial of any specific contract with any one of e. e., then Mr. Gilliont

The question was then put in a different form. Whether he knew any other member of Con-

he order on the Clerk was given. And in reply to that and of ier mestions, he testified a

allo, he was satisfied, espected to be benefited and that was Mr. Welch, of Connecticut, but e head no contract with the witness; and has so satisfied from what Mr. Welch binse d the wirners, that he, Mr. Welch, expected receive something from the passage of the 1; what it was, the witness did not know, and had never agreed to pay him anything. witness bad tragment conversations with Mr. Welch, and he has been present when conversations occurred between Mr. Gilbert and the clauses. He, Mr. Welch, had spoken to witness. nd he thought had told him that, in the event ig no e he with as could not say; that Mr ith Mr. Gilbert, though the witness did not now that Mr. Welch knew the specific terms f it, and thought that he did not know the

Welch and the witness in relation to the book at he gould not stite any more than that al he conversations left no doubt on the witness' nind that Mr. Welch expected to be compen etted for the labors which he expected to perform in the case: he expected to use his influence in ecuring votes in the House and not in commit tee; that there were many conversations about the book with Mr. Welch—he thinks as many as a doz n-nor mentioning any thing about compensation in all of them, however; nor did Mr. Welch ever state how much or the amount e expected to receive. The witness's impres ion was and it was given simply as an impres sion—that the first conversation that occurred notween him and Mr. Welch, upon the subject f being benefited, was in the room, or at least the presence, of Mr. Gilbert; and from the the Territories, and involved a sectional question.

We a is the alternative with any man who has even in nance of beains. Just let the gresse could not legislate for them if it would, and would not life the country saw how the matter stood, and said to the Territory saw how the matter stood, and said to the Territory saw how the matter stood, and said to the Territory same alone, to do as they pleas. Congress could not legislate for them if it would.

The wise statesmen of the country saw how the matter stood, and said to the Territory who felt a deep interest in it. The witness thinks it probable that Mr. Welch led some interest in it. The witness thinks it probable that Mr. Welch led some interest in it. The witness thinks it probable that Mr. Welch led some interest in it. The witness thinks it probable that Mr. Welch led some interest in it. The witness thinks it probable that Mr. Welch led some interest in it. The witness thinks it probable that Mr. Welch led some interest in it. The witness thinks it probable that Mr. Welch led some interest in it. The witness thinks it probable that Mr. Welch led some interest in it. The witness that Mr. Welch led some interest in it. ther similar bills it was rumored, so as to be that it was up to a certain amount, without in

On the 29th January the witness was recalled

The select committee, appointed in pursa ance of a resolution of the Bouse of 9th of Jan. about to make on the part of Mr. Edwards. If the present for voting in tayer of the cidence taken, and what action in the present for voting in tayer of the cidence taken, and what action in the present for voting that some of the committee scrutinized such States to the Government of Mexic

The only witness examined in this case whose upon the anthority of rumor only. But this does reply to Mr. Welch's remark, but there was no upon our trade with that country would be re-

but Dr. Welch unqualifiedly denies that he had youd all doubt.—Cor. Ballimore Sun, 19th. any knowledge that any contract or understand ing existed between Triplett and any other per m, wherely any peemiary consideration wa be paid to himself, or any other person, e event of the passage of the resolution; he ever so understood from Triplett or any other

o thought of any corrupt bargain. 2. That he did report the claim of Boxana Kimball to the House, but he did so on its mers; and he denies ever saying to Sweeney, a my other person, that it might be needsary t any sum of money whatever for the procuof such report. Mr. Welch summoned Mr. Gilbert, and on his

amination he testified as follows: That witness never told Mr. Welch that he, Mr. Welch, should receive any pecuniary compensation in the event of the passage of Triplett's book resolution; that witness never knew had any power to bestow any benefit on the natter; and he never promised Mr. Welch, or my one else any beneat out of that concern. That he never knew there was any such rea ion relative to Triplett's book; he never had my resolution of the kind, and he never said mything to Mr. Welch by which Mr. Welch as to be considered as receiving any benefit. The committee tendered to Mr. Wile's runity to confront the witnesses who had tified against him, but he declined to exam-

The committee cannot regard the statement Mr. Welch as testimony to weigh against the timony of disinterested witnesses. It sugges is no hypothesis consistent with the fiel-tated by the witnesses which relieves him from the effect of their evidence.

Mr. Welch declined t confront the with sec d subject them to that test of truth which penoul can rarely escape, a sitting and closmination in the presence of a person eog zant of all the facts as they actually occurred it a test which would be likely to recoil on milty party who should attempt to use it. Mr. tich has chosen to let the matter rest on the examination of the committee and the testimony of Mr. Gilbert.

The committee do not think they can be are testimony of Mr. Gilbert as critified to not th the testimony of a d shaterested witness for Mr. Gilbert appears before the committee he capacity of an accomplier with Mr. Wole The committee, therefore, have nothing to de atto as the attention of the House to the de which the witnesses implicating Mr. Welch were subjected, their refractions to testify till e tutti, and the simple character of their tesimony when given.

In performance of the duty imposed on them RESS TRIMMINGS. - 5 CA : the resolution to recommend to the House what action, in the jud_name of the committee he Hon e ought to take on its part, the commit

House.—Mr. Davis, of Md., called up the resolution of the select committee for the expul-

ion of Wm. A. Gilber Mr. Bennett, of N. Y., soid that certain parts of the bestimony of the witnesses Sweeny and Simonton were not published, with the evidence Gibert's defense.

Mr. Davis remarked that there was no evidence which had not been printed.

Mr. Bennett said he could prove that Sweeny was induced to swear just so much as would convict Gilbert, and nothing more. onest man would rebel against such conduct.

Mr. Warner asked on what authority Bennett made his statement.
Mr. Bennett declined answering saying if the gentleman would go to the printing office he would see what was stricken out Humphrey Mrrshal wished to know whether

filbert wished to have a trial. Mr. Bennett replied that Gilbert no only ished, but domanded a trial. Mr. Marshal said that being the case, it did not matter whether all the testimony was reinted
